

Pets change lives
We change theirs

Cuppas for cash!

Tillie was just a few days old when she was found abandoned and fighting for her life. Our team acted quickly, nursing her frail body day and night. Thankfully Tillie's a fighter and she put her tough start behind her, growing into a happy, playful young cat. Tillie's found the family she deserves, and the money raised today will help us find happy new homes for more pets in need.
