DISEASE – EYE PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Corneal injury/ulcer		
Uveitis		
Cataract		
Other:		

DISEASE – RESPIRATORY PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Infectious respiratory disease ie. Influenza, EHV		
Allergic or hypersensitive respiratory disease ie. COPD/RAO/Heaves		
Infectious respiratory disease ie. Strangles (in the last 12 months)		
Other ie. Sinusitis		

DISEASE – INTERNAL MEDICAL PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Colic – surgical (required surgery)		
Colic – medical (resolved without surgery)		
Diarrhoea		
Liver problems		
Cushing’s disease (PPID – Pituitary Pars Intermedia Dysfunction)		
Equine metabolic syndrome		
Hyperlipaemia		
Stereotypic behaviour		
Headshaking		
Grass sickness		
Tying up/azoturia (including all forms of muscle disease)		
Atypical Myopathy (in last 12 months)		
Nervous system problem ie. ataxia or other problems including seizures or collapse		
Gastric ulcers		

DISEASE – TEETH PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Requiring equine technician attention		
Requiring vet attention		

DISEASE – LAMENESS & LAMINITIS	NUMBER OF HORSES	NUMBER OF DONKEYS
Laminitis – first episode		
Laminitis – recurrent episode		
Foot lameness ie. pus in foot		
Bruising/Corns		
Navicular syndrome (veterinary confirmed only)		
Coffin joint (DIP joint) Arthritis (veterinary confirmed only)		
Other foot problems (not listed above):		

UPPER LIMB LAMENESS (SOFT TISSUE)	NUMBER OF HORSES	NUMBER OF DONKEYS
Flexor tendon injury ie. strain, tear, rupture (veterinary confirmed only)		
Manica Flexoria tear/rupture (veterinary confirmed only)		
Suspensory ligament desmitis (veterinary confirmed only)		

UPPER LIMB LAMNESS (CONTINUED)	NUMBER OF HORSES	NUMBER OF DONKEYS
Fetlock arthritis (veterinary confirmed only)		
Knee arthritis (veterinary confirmed only)		
Hock arthritis "Spavin" (veterinary confirmed only)		
Other joint arthritis (veterinary confirmed only)		
Other upper limb problem (specify which)		

DISEASE – SKIN PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Mud fever		
Sweet itch		
External parasites ie. lice, mites		
Sarcoid		
Melanoma		
Wounds		
Other		

BACK PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Back related problem		

WEIGHT PROBLEMS	NUMBER OF HORSES	NUMBER OF DONKEYS
Bodyscore 3.5 to 5		
Bodyscore 2.5 to 3.5		
Bodyscore 0 to 2.5		

ANY OTHER PROBLEMS OR DISEASES?	NUMBER OF HORSES	NUMBER OF DONKEYS
<b>TOTAL NUMBER OF HORSES/DONKEYS RECORDED IN THIS SURVEY:</b>		

NAME OF COMPANY/ORGANISATION?	
COUNTY	

Thank you for taking part!
